

Digital Health Research
Letter of Support Template

Date

Dear RAP Committee:

As the Director or Chairman of the _____ Department/Center, it is my distinct pleasure to confirm my support of Dr. _____'s application for the Mobile Health Research Project Award titled _____. Dr. _____ is an outstanding candidate for the award. The current proposal will allow him/her to acquire the expertise and preliminary data necessary both to further develop his/her research program on _____, and to collaborate with Dr. _____ on a grant application to the National Institutes of Health for an RO1 study that is directly linked to the Department/Center's strategic plan for research.

The current proposal uses mHealth technologies to _____. This project provides the necessary preliminary data for the larger planned study which will _____.

I believe that this work will provide the necessary evidence to prepare for the planned larger RO1 study. In addition, I believe that this project will provide the experience and preliminary data that will be essential for Dr. _____ to further develop his/her research program and successfully obtain a additional funding. This proposal is an outstanding example of the innovation and quality research that is expected of the Center/Department and I am in full support of it.

Sincerely,

_____, degrees
