**Consideration for Catalyst Awards**

I would like my proposal to be considered for Catalyst Awards or for Catalyst Awards in collaboration with ShangPharma

- Catalyst Awards mechanism is appropriate for translational research projects or product development focused projects with commercial potential.

- Therapeutic Drug Development Projects are eligible for consideration for Catalyst Awards with ShangPharma collaboration.

- If your RAP proposal is found to be applicable for either of these potential support mechanisms, you will be contacted by Catalyst staff to submit additional materials. Note all interaction with ShangPharma is covered by CDA.

- Selecting 'yes' will not affect the eligibility and review of your proposal in your original RAP grant mechanism.
